

**OFS**

Innovation. Technology. Solutions.

## Corporate Overview

One Federal Solution (OFS) is an innovative professional services provider with over 15 years of experience supporting defense and civilian agencies. OFS specializes in Business Intelligence, Data Analytics, and Software Development services. We are pioneers, builders, thought leaders, and pride ourselves in thinking outside the box to co-create with our customers, helping them achieve excellent enterprise wide outcomes. As a certified Service-Disabled Veteran Owned Small Business (SDVOSB) OFS is committed to providing people who deliver high performance and excellence to our government partners. We treat each project with a high level of attention to quality and agile based delivery. Our goal is to provide the highest quality projects and services at the most competitive pricing in our industry.
